Actually serious post.

I won't bother with colors, anecdote, or the hundreds of posts already sourced by several people against Hunter. You crossed the line for the last time, you were told to back off. You didn't.

TW: Sexual Harassment.

You're a minor 🤔 I don't want that stuff AT ALL

FYM "STUFF" IT'S A JOKE

ik damn well my dad is never traveling to Europe 🤔💔

This. Is what [@antiship-hunter](#) tried to pull, amidst the sexual Harassment campaign that was run against me, not by froggo but other users already identified.

Do not, ever, in your life, contact me or my mutuals ever again. You could've ruined people's lives for fun, if it had been anyone else, and had played along. Amidst your **blatant attempts of sexting someone who was hearing you the fuck out.**

You are a danger, to yourself, and to others, and you will not touch my safe space ever again.

Yeah. Reblogging again so the ban evader (as they're back with a new account) doesn't forget what they tried to pull.
